Item Nos. 1, 2 & 3

Global Auto-Parts Alliance India Private Limited ("Company") was incorporated on November 28, 2006 with the Registrar of Companies, Delhi & Haryana ("RoC") as a manufacturing company to manufacture metal sheet products for Car. Pursuant to slump sale of the business of the company to G-TEKT India Pvt. Ltd. vide resolution dated 26 March 2012 at the Extra Ordinary General Meeting of the Company. The Board was of the opinion that it is prudent that the members wind up the Company voluntarily as there is no business operation in the Company w.e.f. 1st April 2012, it therefore does not serve any fruitful purpose to maintain the status of the Company. The Directors of the Company feel that there is no alternative but to put the Company into voluntary winding up, realise the assets thereof and distribute the proceeds to the members. The Board of Directors of the Company considered the matter and was of the opinion that in view of the non-availability of business prospects and assets & liabilities it is prudent to wind up the Company.

The Board made a pragmatic assessment of the affairs of the Company and has reasonable grounds to form the opinion that the Company will be able to pay its debts in full within a period of three years after realising the assets belonging to the Company.

On the basis of the assessment made by your Board of Directors, the Board passed a resolution declaring solvency of the Company at a meeting held on 9th November 2012 and that such declaration shall be delivered to the Registrar accompanied by a report of auditors of the Company, as required under Section 488 of the Companies Act, 1956., approval of the shareholders by way of special resolution is required. The name of Mr. Anil Setia is proposed for appointment as the liquidator of the Company who is a Practicing Company Secretary with over 20 years experience.

Further more as per Section 173 of the Companies Act, 1956 it is hereby stated that none of the directors are interested in the above resolution.
